The Rev. Truman M. Jolley will preach on "God Remembers the Faithful" at First Presbyterian Church, 1842 Gardens Blvd., Sunday.

Grace Gravesen will sing "The Lord Is My Shepherd," by Malotte. Senior choir, directed by Florence Jolley, will sing "If Thou But Suffer God to Guide Thee," by Thompson. Members will be received at the close of worship and Communion will be observed. Consecration service for vacation school teachers will also be held at the morning worship.

According to Robert Parks, the session will meet at 10:15 a.m. in the study.

Mrs. Dunston and Mrs. McKinney, co-chairmen, announced the vacation church school beginning Monday at 9 a.m. There will be pre-registration Sunday during church school.

Dr. Barnum to Consider Living 'Second-Hand'

"How to Stop Living Second-Hand" will be the sermon topic of Dr. Earl D. Barnum at the 11 a.m. service Sunday of the Church of Religious Science, 503 S. Catalina Ave., Redondo Beach.

He will consider the ways in which people live second-hand, through attending sports events, reading magazines, watching TV listening to the radio, day dreaming and laziness.

There are activities for all members of the family at the 11 a.m. hour.

The regular Inspiration Hour service will be held at 1 p.m. Wednesday, with a lecture and discussion slated.

Foursquare Will Hear Dr. Penner At Sunday Rites

Dr. Walter L. Penner, regional director of the Southwest area of the National Association of Evangelicals, will speak at the Sunday evening service at the Torrance Foursquare Church, corner Arlington and Sepulveda Blvd.

Dr. Penner's inspirational and informative message will include a report of the far-reaching activities of evangelicals on international, national and local levels.

The National Association of Evangelicals is an interdenominational church service organization that represents the majority of evangelical churches and individuals.

It coordinates evangelical efforts in foreign missions, world relief, the Sunday School religious radio and TV, the chaplaincy, social action and higher education, and represents the evangelical point of view to governmental circles of our nation as well as other countries.

The voice of the NAE includes more than 40 denominations, 47 mission boards, over 1000 individual churches and covers a service constituency of more than 10 million evangelical Protestants.

The Rev. H. Earl Kuester, pastor of Calvary Church, and Mrs. Kuester will be at the Junior High Camp at 1000 Pines, the summer camp of Southern California Baptists, July 6-13, where they will serve as dean of boys and dean of girls. Five junior high youth from Calvary will be attending the camp with the pastor—Linda Watwood, Nan Greevy, Kathy Mitchell, Donald Rister, and Roddy Spencer.

The Vacation Bible School will open Monday morning at 9 a.m. with classes from kindergarten through junior high.

There is no enrollment fee but offerings will be taken each day. Half of the money will go toward school expenses and half to the Baptist Children's Home in Los Angeles.

Guests Invited

On Friday, July 12, Rev. Mr. Edward L. Pearson of the children's home will come to Gardens with children from the home. A program by the children and projected pictures of life at the home will be presented at the various departments of the vacation school.

Lutheran Picnic Set Sunday at El Retiro Park

The annual Sunday school and congregational picnic of the Lutheran Church of the Resurrection will be held at El Retiro Park Sunday afternoon, from 1 to 4 p.m.

'KRIPPLER' TO TALK AT HC CHURCH

Kripler Karl Davis, former wrestling star, will make his second appearance at the Harbor City Revival Tabernacle, 1032 W. Pacific Coast Hwy., next Sunday at the 11 a.m. service. "This man is the most outstanding example of God's transforming grace that I have ever witnessed. Formerly a brutal sadist, Kripler Karl is now truly Christian Carl, a friend of man," according to Pastor Fred Martin.

Rev. Mark Hinman will speak at the regular services next week beginning Sunday night. He will direct his efforts to defeat the usual "summer slump" that occurs in Sunday school and church attendance in this area.

Supremacy of God Will Be Lesson Topic

The supremacy and all-power of God—divine Life, Truth and Love—will be emphasized at Christian Science services Sunday.

Among references from the Bible in the Lesson-Sermon entitled "God" will be the following from Joshua (1:9), "Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed; for the Lord thy God is with thee whithersoever thou goest."

"There is no power apart from God," declares Mary Baker Eddy in "Science and Health with Key to the Scriptures." She continues, "Omnipotence has all-power, and to acknowledge any other power is to dishonor God" (p. 228).

The Golden Text is from Joel

(2:27), "Ye shall know that I am in the midst of Israel, and that I am the Lord your God, and none else."

The Way Out of Trouble

For multitudes Christian Science is daily proving to be the "table in the wilderness."

In the modern world, which turns for health to healing systems that often fail to bring release, Christian Science is indeed the long-promised Comforter.

By thoughtful study of its remarkable textbook

SCIENCE AND HEALTH with Key to the Scriptures by Mary Baker Eddy

life's tangled problems are steadily solved and health replaces hopelessness.

These are large claims, without doubt. Yet your neighbors who are Christian Scientists gratefully testify to them.

That is why they have authorized these advertisements for your consideration.

PIONEERS PAST and PRESENT

Back in 1873 when the first Ralphs store opened, most folks butchered their own meat, smoked or pickled it to have food for days to come. To those families of long ago, Ralphs brought a dependable source of fresh meat in variety and prime quality, and established the standards of cleanliness, courtesy, lower prices, and service that endure to this day!

Today, Ralphs meats are all top quality, properly "conditioned" by advanced methods to assure tenderness and flavor... trimmed before weighing... then packaged in sealed wrap, and priced, per pound and per package, under constant refrigeration. Yet, as in 1873, custom-cutting to suit the most particular taste, courteous service, and lowest prices are Ralphs traditions.

... and FUTURE! For 84 years, Ralphs has never been afraid to "tackle the new or improve the old" ... so whatever new discoveries science unfolds, you may be sure they will be adapted to your convenience, at Ralphs!
